

Digital Health

*INNODAYS*

**Friday, 24th September 2021**

10:00h – 10:15h	<b>Opening</b> Michael Albrecht (CEO University Hospital Carl Gustav Carus Dresden) Jochen Hampe (Scientific Speaker EKFZ)
10:15h – 11:00h	<b>Next generation of medical autonomous microrobots</b> Samuel Sánchez Ordóñez (ICREA Professor at the Institute for Bioengineering of Catalonia)
11:00h – 11:20h	<b>EKFZ x TOOZ: Context-sensitive data glasses</b> Kai Ströder (CEO, tooz technologies)   Nora Martens (EKFZ   MK1/UKD)
11:20h – 12:00h	<b>EKFZ Innovation Teams</b> NGScopes   CRT   CoBot   HybridEcho
<hr/>	
12:00h – 13:00h	Lunch break & Get together
<hr/>	
13:00h – 13:45h	<b>How digital technologies in health care transform the normative relation between physician and patient</b> Luise Müller (Interim Professor for Practical Philosophy, University Hamburg)
13:45h – 14:00h	<b>Think outside the box: StreDiMed – Development of a standardized tool-box for the assessment of the stress-physiological consequences of digitalization for medical practitioners</b> Magdalena Wekenborg (EKFZ   TU Dresden, Faculty of Psychology)
14:00h – 14:45h	<b>Network Pitches</b>
<hr/>	
14:45h – 15:15h	Coffee break   IIP Demo-Session
<hr/>	
15:15h – 16:00h	<b>Regulation for medical software</b> Georg Heidenreich (Head of Healthcare IT Standards, Siemens Healthcare GmbH)
16:00h – 16:30h	<b>EKFZ Innovation Teams</b> PITROS   MOVERAD   Enhanced Catheters
<hr/>	
16:30h – 17:00h	Coffee break   IIP Demo-Session
<hr/>	
17:00h – 18:00h	For EKFZ Members: Mitgliederversammlung For guests: IIP Demo Session in the lobby

From 18:30h **EKFZ InnoNight**

**Saturday, 25th September 2021**

- 10:00h – 11:00h **Artificial intelligence in personalized oncology**  
Jakob Nikolas Kather (Junior Professor, University Hospital RWTH Aachen)
- 11:00h – 11:30h **EKFZ Innovation Teams**  
VirChip | Aneurysms | IntelliLung
- 11:30h – 12:00h **Network Pitches**
- 
- 12:00h – 12:45h Snack break | IIP Demo Session
- 
- 12:45h – 13:30h **Linking electronics and biological systems**  
Carsten Werner (Chair of Biofunctional Polymer Materials, Leibniz-Institut für Polymerforschung Dresden e.V., Max Bergmann Center of Biomaterials, Technische Universität Dresden, Center for Regenerative Therapies Dresden)
- 13:30h – 13:50h **EKFZ x ZEISS: The ZEISS Innovation Hub Dresden - a model for academia/ industry exploration**  
Kai Wicker (Head of the ZEISS Innovation Hub Dresden)
- 13:50h – 14:30h **EKFZ Innovation Teams**  
TransplaBit | Oralsens | ImPressing | Alert

*Conference language is English. IIP Poster and Demo Sessions during all breaks.*
